

ANOTHER HUGE STUDY  
FOUND NO EVIDENCE THAT  
CELL PHONES CAUSE CANCER.  
WHAT WAS THE W.H.O. THINKING?

I THINK THEY JUST  
GOT IT BACKWARD.

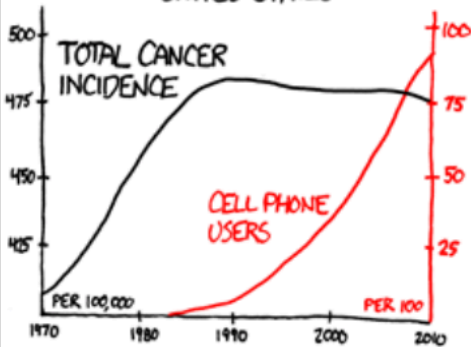

HUH?

WELL, TAKE  
A LOOK.

UNITED STATES:

YOU'RE NOT... THERE ARE SO  
MANY PROBLEMS WITH THAT.

JUST TO BE SAFE, UNTIL  
I SEE MORE DATA I'M  
GOING TO ASSUME CANCER  
CAUSES CELL PHONES.
