

Week 6 Reading Questions

November 11, 2024

1 Russell and Serban

- What is the 'Westminster model'?
- Why do Russell and Serban criticise it as a concept?
- Should we abandon the concept? Are there ways in which it could be useful?

2 Morgan

- What case does Morgan examine? What is this a case of?
- How generalisable are the findings from this single case?
- What evidence did Morgan use? How convincing is it?
- How could the study have been improved? What other methods could have been used? Would a comparative case study have worked better?
